

### 3 T Wood Wheel Loader

As the professional manufacture, we would like to provide you high quality 3 T wood wheel loader. Hilima Company provides large-scale engineering vehicles and new energy vehicles. We hope to establish friendly cooperative relationship with your company with high quality products, reasonable price, considerate service and create a better future hand in hand.

## 1. Product introduction of the 3 T wood wheel loader

3T diesel wood loader is one of our flagship products. It is popular among customers for its low price, durability and powerful horsepower. Our product advantages are as follows:

- The body, head and arm of the whole car are made of high strength manganese steel, which is resistant to extrusion and wear and no deformation.
- The whole car body adopts baking process, paint adhesion is strong, never change color.
- The bucket adopts computer optimization design, single tip bucket cylinder, "Z-shaped rotary bucket structure", to achieve a huge shovel force.
- The whole car adopts the oil cylinder imported from Japan, durable.

## 2. Product parameter of the 3 T diesel wood loader

performance	overall dimensions(mm)	6500*2200*2950
-------------	------------------------	----------------

Shandong Heima Construction Machinery Co. LTD

E-mail: zlh7611@hotmail.com

	rated load(kg)	2600
	bucket capacity(m3)	1.6
	operating weight(kg)	7500
	dumping height(mm)	3750

### 3. Product feature and application of the 3 T diesel wood loader

#### Optional accessories

#### Detailed parameters

engine	engine model	Deutz
	rated power (KW)	92
	type	inline, water cooling, four stroke, direct injection, 6cylinder, turbo charge
transmission	Gearbox	counter shaft power shift

Shandong Heima Construction Machinery Co. LTD

Tel: +86-13969325101

E-mail: zlh7611@hotmail.com

	converter	315
	gear shift	4F2R
	model of axle	3T hub reduction axle
tyre	tyre size	17.5-25
	service braking	gas cap oil
